
112th Convention of the American Psychological Association

Honolulu, Hawai'i, July 28–August 1, 2004

Located on the island of O'ahu—"gathering place" for the Hawaiians—the culturally diverse city of Honolulu is the setting for the 112th Convention of the American Psychological Association. Explore the local attractions—tropical gardens, sandy beaches, exotic mountain ranges, the Arizona Memorial at Pearl Harbor, the Bishop Museum, the Polynesian Cultural Center, Sea Life Park, the Nu'uuanu Pali Lookout. Snorkel at Hanauma Bay, ride outrigger canoes, hike to Waimea Falls. Historic Kawaiaha'o Church and the nearby mission houses, 'Iolani Palace—the only royal residence in the United States and Queen Emma's Summer Palace—offer glimpses into Hawai'i's past. Sample the local cuisine—a mixture of the cuisines of China, Japan, Korea, the Philippines, Portugal, America, Southeast Asia; attend a luau featuring traditional Hawaiian food. In Honolulu the temperature in July hovers around 85 °F (29 °C). Leave your suits and ties at home—only a few restaurants require jackets for men. Resort casual is acceptable dress everywhere. Get into the Aloha spirit!

Join the American Psychological Association (APA) for a different and unique annual convention! As with the last two conventions, most of the convention programming will be scheduled in one facility—the Hawai'i Convention Center—near Waikiki. There will be a shorter day for substantive programming—8:00 a.m. to 2:00 p.m.—so attendees can participate in activities celebrating the diversity and attractions of the Islands. As a result of the shorter program day, the convention will be scheduled over five days, Wednesday through Sunday, rather than the usual four days. There will be three levels of programming: divisional programming, cross-divisional sessions developed by groups of divisions, and plenary sessions. In addition, there will be more opportunities for earning continuing education credits.

As stated in the association rules, the purposes of the annual convention are (a) to provide a forum in which members may present their scientific and scholarly work, (b) to present a general program that will be informative and of interest to all members of the association, (c) to facilitate the exchange of experience relating to the applications of psychology, and (d) to provide a place where the business of the association can be carried on efficiently.

Convention programs are developed by the several

substantive divisions of APA and include symposia, paper and poster sessions, invited addresses, discussions, workshops, and so on. Meetings for the 112th convention are scheduled in the Hawai'i Convention Center, the Hilton Hawaiian Village Beach Resort and Spa, and the Sheraton Waikiki Hotel.

Transportation

Transportation from Honolulu International Airport is available by taxicab, airport express bus, and public transportation. The taxicab fare to the Waikiki area of Honolulu is approximately \$25–\$28 plus tip. The Airport Waikiki Express bus to any hotel in Waikiki operates 24 hours, leaves every 20 to 30 minutes, and costs \$8 one-way, \$14 round-trip. The trip takes about 20 minutes. Public transportation, TheBus, stops at the airport approximately every 30 minutes (Routes 19 and 20)—fare is \$1.50. For those renting cars in Honolulu, 24-hour guest parking at the APA headquarters hotels costs between \$10 and \$17.

Shuttle bus service will be provided during the convention between the Hawai'i Convention Center and the Hilton Hawaiian Village Beach Resort and Spa and the Sheraton Waikiki Hotel.

Honolulu has an efficient bus public transportation system, TheBus, that has routes throughout the city and around the island. One-way fare is \$1.75. Visitors can purchase a Visitor Pass for \$20 for a four-consecutive-days pass and unlimited use at all ABC stores in Waikiki and at the Ala Moana Shopping Center (Web site: www.thebus.org).

Note: All prices listed above are subject to change.

Registration fees are required to support the costs associated with the convention, as well as to comply with the association's rule that the convention be a self-sustaining service of the association. Persons who request a replacement badge during the convention will be charged \$2 each time the request is made. Housing

IMPORTANT!!!

APA recognizes that you have a number of options when securing hotel accommodations for the annual convention. We would like you to understand that APA has made a major commitment to the city of Honolulu and to the hotel community in order to secure a large block of quality hotel rooms at competitive prices in convenient locations. APA is legally bound to fill these rooms. Not to do so has severe financial implications for APA and affects its negotiations and your costs for future conventions. If you require a hotel in Honolulu, we would appreciate it if you would review the list of APA hotels and reserve your room through the APA housing service, ITS.

Hotel reservations may be made DIRECTLY through the APA's housing service, ITS, by Internet, fax, mail, or phone. Only Advance Convention Registration Forms are to be sent to APA for processing.

In cooperation with APA, all of the APA hotels have set aside substantial blocks of rooms. These rooms for the convention are available only when reservations are made through ITS. To take advantage of the special APA room rates for the convention, be sure to book your reservations through ITS by July 6, 2004. After July 6, 2004, the official APA blocks will be released, and the hotels may charge significantly higher rates. Hotel rooms for persons arriving in the city at the last minute will probably be expensive, scarce, or nonexistent. We strongly recommend that you obtain hotel reservations early to ensure that you have a room at an APA hotel.

During past conventions, the headquarters hotels have been filled by early May. It is anticipated that the headquarters hotels will also be filled early in Honolulu. Housing requests received toward the end of the advance registration period have typically been assigned alternate housing.

Registrants should bear in mind that rooms are assigned on a first-come, first-served basis. All rates are per room night and are subject to an 11.42% sales tax. Hotels will assign bedding preferences and other special requests at check-in. There is no guarantee that persons will obtain a room in the specific hotel they have requested, in the type of room requested, or at the rate requested. If accommodations are not available at the hotel of your choice, comparable reservations will be made at other contracted hotels.

Please note that the availability of rooms for those arriving before July 28 may be limited. Therefore, if you are attending pre-convention activities, ITS will make every effort to accommodate your needs but cannot guarantee rooms for those with early arrival dates.

Reservations can be made through ITS by Internet, telephone, fax, or mail beginning on November 14, 2003. Requests received after July 6, 2004, will be processed on a space-available basis. Beginning July 15, 2004, all reservations must be made directly with the hotels. To reserve a room for the APA convention, choose ONE of the following methods:

Internet: Fill out the Hotel Reservation Form and use the interactive Web site at www.apa.org/convention/ to submit the form directly;

or

Telephone: Call ITS, Monday–Friday, 8:00 a.m. to 5:00 p.m. (Central time) at (800) 974-9833 (toll free) or (847) 282-2529 (international). Phone reservations are limited to five per call;

or

Fax: Send a completed Hotel Reservation Form, using one form per reservation request, to (800) 521-6017 or (847) 940-2386;

or

Mail: Send a completed Hotel Reservation Form, using one form per reservation request, to ITS, 108 Wilmot Road, P.O. Box 825, Deerfield, IL 60015-0825. All hotels require a guarantee with each reservation request. Hotel Reservation Forms received without a credit card for the required guarantee will not be processed. No checks or wire transfers will be accepted for the guarantee.

ITS will send you a confirmation. Review it carefully for accuracy. Room confirmation will be sent only to the primary person requesting the reservation. If you do not receive a confirmation by e-mail, fax, or mail within 14 days of sending your request, please contact ITS at www.ampsy@itsmeetings.com or call (800) 974-9833 or (847) 282-2529.

All hotels require a guarantee with each reservation request. Requests received without a credit card for the required guarantee will not be processed. Please fill out the credit card information in its entirety. Credit cards must be valid through August 2004 to be processed and considered a proper guarantee. Guarantees can be made by providing an American Express, VISA, MasterCard, Discover, or Diners Club credit card number on your Hotel Reservation Form. **Beginning July 8, 2004, hotels will CHARGE this card in the amount of the first night's room and tax, per reservation.**

Persons sharing a room are requested to send in only one Hotel Reservation Form with the names of all of the proposed occupants of the room. By law, there is a limit of four persons to a room, and some hotels will not accept reservations for four persons in a room. Room confirmation will be sent only to the person requesting the reservation. Colleagues wishing to stay in the same hotel should submit their forms in the same envelope.

Changes and Cancellations: Changes or cancellations made on or before July 12, 2004, should be made directly with ITS. After July 15, 2004, you must contact your confirmed hotel directly. Deposits are fully refundable for cancellations received prior to 72 hours of arrival. Deposits will be forfeited for cancellations made within 72 hours of scheduled arrival.

Arrangements for Persons With Disabilities

The APA Council of Representatives has adopted "Guidelines on Physical and Social Accessibility," prepared by the APA Task Force on Psychology and the Handicapped. **In compliance with these guidelines, the Board of Convention Affairs asks each person with a disability who is planning to attend the convention to identify himself or herself and to provide information on how APA can make the convention more accessible for him or her. Please check the appropriate box on the Advance Convention Registration and Hotel Reservation forms if you are disabled and would like assistance in facilitating your attendance at the convention.** A note outlining your specific needs should accompany the Advance Convention Registration and Hotel Reservation forms. APA will provide a van with a lift as transportation for persons who use wheelchairs, interpreters for hearing-impaired individuals, and escorts/readers for persons with visual impairments if specific requests are provided at the time of advance registration. During the convention, persons with disabilities who desire a place to relax or who desire assistance with wheelchair repairs, readers, escorts, interpreters, and so on may visit the APA Resource Room for Persons With Disabilities.

To facilitate hotel reservations for those who need wheelchair accessibility and visual or hearing aids, the Board of Convention Affairs has compiled information about the headquarters hotels. It is strongly suggested that persons who are in need of wheelchair-accessible accommodations request housing at one of the following hotels. Additional information regarding accessibility of supplemental hotels and a detailed report on accessibility of headquarters facilities may be obtained from the APA Convention Office in Washington, DC.

Hawai'i State Animal Quarantine Laws: Hawai'i is a rabies-free state. Importation of dogs, cats, and other carnivores into Hawai'i is governed by a law that requires a 120-day confinement in the State Animal Quarantine Station. The law allows exemptions to quarantine confine-

ment for guide and certified service dogs. Go to the Web site at www.hawaiiag.org/hdoa/ai_aqs_guidedog.htm for requirements and further information.

Hilton Hawaiian Village Beach Resort and Spa

Main Entrance: Accessible

Public restrooms: Most of the restrooms are accessible, but please note the following challenges. Mid-Pacific Conference Center: The men's and women's restrooms on the sixth floor next to Coral Ballroom 1 are difficult for someone who uses a scooter because the turning radius is tight. Kalia Tower: At the time the accessibility compliance study was done there were no grab bars in the single-stall men's room or the women's accessible stall next to the pool and Mandara Spa. There are very good accessible restrooms next to the cafe on the lobby level of this building. *Braille signage:* Braille signage is on guestroom doors and elevators.

Sleeping rooms: 45 rooms are designed for wheelchair accessibility, and 30 of them have roll-in showers; 45 additional rooms have been modified to accommodate guests with hearing and visual impairments.
