Note. Item numbers, polytomous format, and bolded terms and instructions specific to bullying and suicide items, are original. Please note that for model indicators in this study, we used dichotomized items included in the 2015 YRBSS national dataset (rather than the polytomous items), and that some items were combined. The full set of 2015 YRBSS national survey items can be found at <https://www.cdc.gov/healthyyouth/data/yrbs/questionnaires.htm>.
