

Acknowledgment

The editorial team of *Psychology of Violence* thanks the following individuals who provided reviews between August 2022 and August 2023. By sharing their time and expertise, these ad hoc reviewers have helped *Psychology of Violence* fulfill its mission to publish high-quality research that expands understanding of the causes and consequences of violence, as well as effective prevention and treatment approaches. We deeply appreciate the time that reviewers spend providing authors with valuable feedback and helping this journal publish the best research on the *Psychology of Violence*. Thank you for your service!
