

Membership Changes During 2012

The following report of membership changes during 2012 is presented for the record.

1. The Board of Directors announced that the persons listed below were elected to initial membership in the American Psychological Association (APA) by the Membership Board and/or staff, for the 2012 calendar year. Although not all of them have confirmed their election by payment of initial dues, all but a small number will eventually do so.
